UNITED STATES PATENT AND TRADEMARK OFFICE CERTIFICATE OF CORRECTION

PATENT NO. 7,099,752 B1
APPLICATION NO. 10/822,271
ISSUE DATE: Aug. 29, 2006
INVENTORS: Leslie Jae Lenell and Seymour Levine

Page 1 of 1

It is certified that an error appears or errors appear in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

The following two corrections should be made to correct Patent 7099752, Aug 29, 2006

Correction 1 came about by the examiner disallowing several claims, which thus changed certain claim numbers. The Operation Section, in column 10, line 37, states that, "It also permits the above aircraft, by virtue of claims 28 through 30, to be safely piloted by only a single onboard pilot." It should have referenced claims 23 through 25, which are the claims for a single onboard pilot.

Correction: In Column 10 line 37 delete: "28 through 30" and insert:
"23 through 25"

Correction 2 is an omission in publishing by the USPTO in the Operation Section, in column 10 prior to line 43, "What is claimed is":

In Column 10, after line 42 insert:

"It is obvious that minor changes may be made in the form and construction of the invention without departing from the material spirit thereof. It is not, however, desired to confine the invention to the exact form herein shown and described, but it is desired to include all such as properly come within the scope claimed."
